SCHOOLS PROGRAM

I want to say a big thank you on behalf of the homeschooling community for extending the invitation to us to attend Cinefest in the Schools Program.

We all thoroughly enjoyed it & especially appreciated the opportunity to attend the Q & A session after Peter Rabbit. It is always so interesting for the kids (and parents!) to be able to hear from those directly involved in making the film and be able to ask questions.

I had so much fun discovering not only a country (a region especially) extraordinary but also a festival so nice. Thank you for welcoming us to the Cinesnaps Schools Program. It's an inspiring program. I enjoyed talking with the teachers and also the volunteers. Your team is super welcoming! I sincerely hope we can come back next year.

Thank you for everything!

Vanessa-Tatjana Beerli – Canadian Film Producer (Film Guest)

I thoroughly enjoyed being involved again this year. The students all gained so much, not only in terms of technical skills – but also in confidence. It was fantastic to see them all at the finale supported by their families. They are all still talking about it.
